

The Avesis Bonus Program

**EASY MONEY
isn't a myth.**

For a limited time, Avesis is offering a Bonus Program that provides an opportunity for extra cash awards in addition to your already generous commissions. This incentive program will show you how easy it is to create additional income with Avesis vision products.

Details

1. The program applies to new Avesis Vision groups, underwritten by Fidelity Security Life Insurance Company, Kansas City MO, with effective dates of 12/1/11 to 5/31/12.
2. The broker who submits the case receives the bonus (paid to whomever currently receives the standard commission). The bonus payout for each group is based on the enrollment listed in the first month's bill.
3. Incentive and Bonus Incentive checks will be separate from regular commission checks and will be mailed around the middle of the month following the effective month.
4. There is no maximum payout.
