Paradise Found!

See for yourself what Christopher Columbus wrote home about when he discovered a little piece of paradise deep in the West Indies — an unspoiled island now called Nevis. For your sales of Companion Life group products, you and a guest will enjoy six days and five nights at the award-winning Four Seasons Resort Nevis during Companion Life's 2013 Leaders Conference.

Located near the top of the Lesser Antilles archipelago, this virtually untouched island offers guests a chance to experience the Caribbean as it should be. Nevis is perennially pleasant and has endless spans of beautiful, empty beaches. You'll think you discovered the island yourself!

Four Seasons has created a West Indies resort experience that's practically woven into the land. Gingerbread cottages dot the resort's lush grounds, and its fragrant gardens lead down to the smooth sands of famous Pinney's Beach. Spend perfect days lounging in a beachfront cabana, or sip tropical cocktails by the infinity-edge pool atop the Resort's private beach. Visit the Four Seasons' award-winning luxury spa to soothe your spirit and fall into island time. Or for activity seekers, there's plenty to do within easy reach of your resort suite: like hiking, biking, diving, sailing, surfing, snorkeling, kayaking and even horseback riding along the beach. And not to be missed is a round of golf on the Robert Trent Jones Jr. designed course. It's regularly ranked among the Caribbean's very best and showcases the island's most dramatic scenery.

Should wanderlust strike you and lead you beyond the resort walls, there are fascinating ruins of sugar mills to explore — offering glimpses of an industry that once supported the island's economy. Explore a little deeper and you'll find cricketers taking to public fields in their whites; they'll be happy to have your sideline support. But if you're reluctant to leave the sandy shores of the beach, you may walk just far enough to stumble into Jimmy's Sunshine Shack — a delightful beach watering hole known for its signature cocktail, the killer bee.

Wherever you roam, you'll be sure to run into exceptional wildlife like the famous green vervet monkeys that live only on Nevis, St. Kitts and Barbados. Nevis is a haven for exotic animals from tropical birds to several species of sea turtles, too. The island is a virtual Garden of Eden just waiting for you to discover and enjoy.
